OBJECTIVE:

Results-driven IT professional with 3 years of experience in IT operations, systems administration, and end-user support, now serving as Assistant Manager IT at Lucky Cement Limited. Skilled in Active Directory, Windows Server, Microsoft 365, networking (Cisco, Aruba), endpoint security, and IT asset management. Now Seeking to drive reliable, secure, and cost-effective IT services in a leadership-focused IT role.

CORE COMPETENCIES:

- **IT Management:** IT Operations Management, Incident & Problem Management, Vendor Management, IT Procurement, Disaster Recovery Support
- **Operating Systems:** Windows 10/11, Windows Server, Linux
- **Microsoft Technologies:** Active Directory, Group Policy, DNS, DHCP, Microsoft 365, Outlook, Windows Admin Center
- **Networking:** TCP/IP, DNS, DHCP, VLANs, Subnetting, Switching, Network Troubleshooting, Cisco, Aruba, IMC
- **Virtualization**: VMware Workstation, VMware ESXi, Microsoft Hyper-V, VM creation, configuration, resource allocation, and basic troubleshooting
- **Endpoint & Security:** Kaspersky Endpoint Security, Software Deployment, Patch Management, IT Policies and SOPs
- **ITSM & Documentation:** ITIL Concepts, Ticket Handling, Technical Documentation, IT Asset Management
- **Applications:** Microsoft Office, SAP Client Support, Remote Desktop, Any Desk, TeamViewer
- **Database & Analytics:** SQL, Excel, Power BI Service

EXPERIENCE:

Assistant Manager IT **Sep 2026 – Present**
Lucky Cement Limited

- Administer Active Directory, Group Policy, RBAC, and access reviews.
- Manage Windows Servers (DNS, DHCP, file services), including monitoring, patching, and capacity planning.
- Administer the Microsoft 365 tenant, covering licensing, mailboxes, and security.
- Manage Cisco and Aruba networks, including VLANs, switching, and IP addressing.
- Manage Kaspersky endpoint security, including policies, deployment, and patching.
- Lead a team of 4, resolve 300+ tickets monthly, mentor junior staff, and report IT performance to management.

IT Support Engineer **Sep 2023 – Sep 2026**
Lucky Cement Limited

- Provide L1/L2 support for hardware, software, Windows OS, applications, printers, and network incidents.
- Deploy, configure, and maintain desktops, laptops, printers, IP phones, and peripherals, including patching and hardware replacement.
- Handle Active Directory user and computer account tasks, including password resets, unlocks, group membership, and domain joining.
- Support Windows Server services (DNS, DHCP, file services, Group Policy) and manage folder permissions.
- Configure and troubleshoot Cisco and Aruba switching, including VLANs, trunk/access ports, IP addressing, and Layer 2/3 connectivity.
- Troubleshoot TCP/IP, DNS, DHCP, and wireless issues, monitor through IMC, and coordinate with ISPs for service restoration.
- Provide remote support and manage Kaspersky endpoint protection, including deployment, policies, and updates.
- Support Microsoft 365, Outlook, and SAP, covering installation, access, and troubleshooting.
- Maintain IT asset inventory and documentation, and support procurement in line with IT policies and SOPs.

Data Analyst

Lucky Cement Limited | 1.5 Years
